Why Did I Receive This Notice? The Parties to the above-captioned stockholder class action (“Action”) pending in the Court of Chancery of the State of Delaware (“Court”) have, following arm’s length negotiations, reached a proposed settlement of the Action (“Settlement”) on the terms and conditions set forth in the Stipulation and Agreement of Settlement, dated July 6, 2023 (“Stipulation”). This Postcard Notice advises potential Settlement Class Members of information about the Action and the proposed Settlement. The Stipulation and Long-Form Notice are available for download from www.AdvantEStockholderSettlement.com (“Settlement Website”), or by contacting the Settlement Administrator at the contact information on the front of this Postcard Notice.

What Is The Case About? Plaintiff alleges, on behalf of himself and a purported class of Advant-e common stockholders who were paid \$5.25 per share cash, on a pre-split basis, for fractional shares of Advant-e common stock that resulted from the 1 for 20,000 reverse stock split of Advant-e common stock that took place in December 2021 (“2021 Reverse Stock Split”), that Jason Wadzinski and Jason Boone breached their fiduciary duties to the Settlement Class by, among other things, paying an unfair price for fractional shares that resulted from the 2021 Reverse Stock Split and failing to condition the 2021 Reverse Stock Split on approval by an independent special committee of Advant-e’s Board of Directors and a fully informed vote of a majority of the minority stockholders of Advant-e. Defendants deny all allegations of wrongdoing and liability in Plaintiff’s complaint.

Who Is Included In The Settlement Class? The Settlement Class includes all record holders and beneficial owners of Advant-e common stock who were paid cash for fractional shares of Advant-e common stock as a result of the 2021 Reverse Stock Split. As set forth in the Stipulation and Long-Form Notice, Defendants, their families, and certain current and former employees of Advant-e and other entities, are excluded from the Settlement Class by definition.

What Is The Proposed Settlement? Pursuant to the proposed Settlement, the Defendants will pay \$896,973 to settle the action, which represents \$1.75 for each share of Advant-e common stock, on a pre-split basis, that was owned by a Settlement Class Member and was cashed out as a result of the 2021 Reverse Stock Split (“Settlement Amount”). In exchange for the Settlement Amount, Settlement Class Members will release the Released Plaintiff Claims against the Released Defendant Persons. For all details of the Settlement and the releases, read the Stipulation and Long-Form Notice, available at the Settlement Website.

When And Where Will The Court Decide Whether To Approve The Settlement? A Settlement Hearing will be held before the Court on Wednesday, November 8, 2023, at 1:00 p.m., at the Court of Chancery Courthouse, 34 The Circle, Georgetown, DE 19947. At the Settlement Hearing, the Court will, among other things: determine whether to finally certify this Action as a non-opt-out class action; determine whether the proposed Settlement is fair, reasonable and adequate to the Settlement Class, and should be approved; determine whether to approve the Fee and Expense Application for attorneys’ fees not to exceed 15% of the Settlement, or \$134,545, reimbursement of litigation expenses not to exceed \$25,000, and a Service Award to Plaintiff not to exceed \$1,000; and hear and consider any objections to the Settlement or the Fee and Expense Application. Any objections must be filed with the Register in Chancery and delivered to counsel for the parties such that they are received no later than October 25, 2023, in accordance with the instructions in the Long-Form Notice. The Court may change the date or time of the Settlement Hearing without further notice to the Settlement Class. Please check the Settlement Website for any changes to the Settlement Hearing.

How Will Settlement Class Members Receive Payment From The Settlement? If the Settlement is approved by the Court and the Effective Date (as defined in the Stipulation) occurs, the Net Settlement Fund will be distributed to Settlement Class Members on a pro rata basis in the same manner in which Settlement Class Members received their 2021 Reverse Stock Split Cash Payment. Settlement Class Members do not need to submit a claim form to receive payment. Please refer to the Long-Form Notice and Stipulation for more detailed information regarding the distribution of the Net Settlement Fund to Settlement Class Members.

Whom Should I Contact If I Have Questions? You may contact the Settlement Administrator at the contact information on the front of this Postcard Notice or the following Plaintiff’s Counsel with any questions: Joshua Ruthizer, Wolf Popper LLP, 845 Third Avenue, New York, NY, 10022, 1-877-370-7703.
